

student artists, music, food, and more! Art on Elm Avenue with the continuing partnership of NeighborWorks® Waco opens on Friday night, May 12<sup>th</sup>, with the Art on Elm Preview Party – *Splash on the Color!* – an opportunity to view the juried exhibit and mingle with the artists at Brotherwell Brewery, 400 E. Bridge Street. "Art on Elm" pop-up art event opens Saturday, May 13<sup>th</sup> at 10 am in collaboration with the Levitt Foundation evening music event in the Bridge Street Plaza.

**This event's success is because of our sponsor support and volunteers who lend their names, financial aid, and their time to Art on Elm.**

With high-quality art, music, sweet-to-spicy eateries, and exciting "hands-on" art activities, guests of all ages and interests will find something to enjoy as they walk along Elm Avenue. If you want to build a reputation as a strong community supporter and increase your visibility with a discerning audience of active customers, potential clients, and new contacts, this is your event!

By being a named sponsor we have several great opportunities and sponsor levels to match your promotional needs. You can set up on-site in a booth among the artists, boost your visibility as an Arts Partner, support our community as an Arts Leader, and highlight the cultural arts and vibrancy in and around East Waco.

Art on Elm Avenue offers five levels of sponsorships. Please select the level of participation that best meets your needs and be secure in knowing that Cultural Arts of Waco will use your support to continue the development of the arts in Waco's urban core.

We will be proud to have you join us in 2023 "Drawing People Together." Thank you in advance for your consideration!
