This event's success is because of our sponsor support and volunteers lending their names, financial aid, and their time.

We have several great opportunities and sponsor levels to match your promotional needs. You can set up on-site in a booth among the artists, boost your visibility as an Arts Partner, support our community as an Arts Leader, and highlight the cultural arts and vibrancy in and around East Waco.

Art on Elm Avenue offers five levels of sponsorships. Please select the level of participation that best meets your needs and be secure in knowing that Cultural Arts of Waco will use your support to continue the development of the arts in Waco's urban core.

We will be proud to have you join us in 2024 "Drawing People Together."

Thank you in advance for your consideration!
